*Recycle & Help Us Build!*

**It's Easy!**

Take your recyclables to Pacific Recycling at  
395 Payne Street in Idaho Falls and tell them you want  
your money to go the **Snake River Animal Shelter**.

**They send us a check each month!**

The money goes to help build  
the **Snake River Animal Shelter**  
and save animals like this one.

Recycling is good  
for the environment  
and now it's good  
for the homeless  
animals in the  
**Snake River Valley!**
