

Snake River Animal Shelter is bringing back its beloved Mutt Strut event and is aiming for a record-breaking year with your help! Participants in this event get to spend October 26, 2022, running or walking with their pets (costumes for pets and humans are encouraged but not required!) all for a great cause.

Does your cat or dog have a fantastic talent that you're excited to show off? We're accepting TEN talent show entries for cats and TEN talent show entries for dogs. Your pet's talent must be under two minutes in length. You can bring accessories with you for your pet to perform their talent as long as it takes less than three minutes to set them up and take them down.

Your talent show fee of \$25 is a tax-deductible monetary donation to our 501c3 nonprofit that will benefit our community-based programs that help to **FEED, CARE FOR, and EDUCATE** people and animals in need.
